

# WELCOME TO ACCESS STI AND THE FIRESTOP UNIVERSITY

Once you create your Access STI account, you will have access to all of the courses offered by STI.

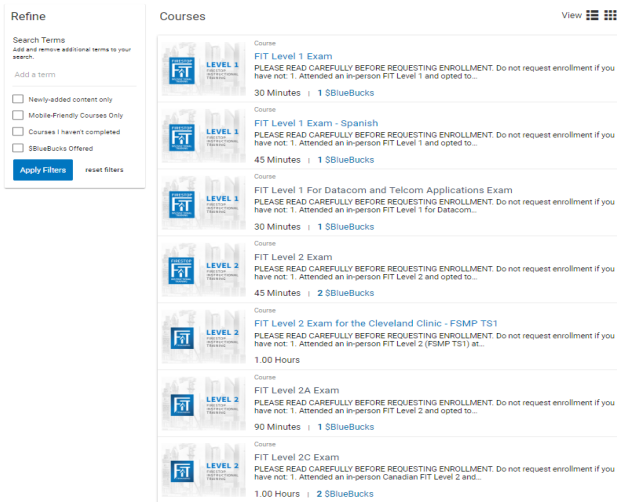

They are located in the Courses tab in The Firestop University section in Access STI.

Most of the courses are available immediately and do **NOT** require prior admin approval (enrollment request). However, all FIT Levels 1 & 2 exams **DO** require prior admin approval (see instructions below). After you request enrollment, I will receive a report notifying me of your request the next morning. **If you require immediate approval, contact training@stifirestop.com.** Please read all course descriptions carefully and note that we do check records to make sure that you have previously attended a FIT before approving your enrollment.
