Email: dvail@stifirestop.com

DESIGN: SpecSeal® Cast-In Firestop Device (suffixed to denote size), extension tube, deck adaptor, and tub box kit. Device consists of a molded plastic body with built-in intumescent firestopping system and flexible smoke and water resistant seal. Refer to listee's product data sheet and UL Fire Resistance Directory for additional detailed product description and operational considerations.

INSTALLATION: In accordance with listee's printed installation instructions, UL Fire Resistance Directory, applicable codes and ordinances and in a manner acceptable to the authority having jurisdiction.

MARKING: Listee's name, type identification and UL label.

This listing is based upon technical data submitted by the applicant. CSFM Fire Engineering staff has reviewed the test results and/or other data but does not make an independent verification of any claims. This listing is not an endorsement or recommendation of the item listed. This listing should not be used to verify correct operational requirements or installation criteria. Refer to listee's data sheet, installation instructions and/or other specifications.

Date Issued: July 01, 2018  Listing Expires June 30, 2019
